

## LINK CREW at Superior Heights

Link Crew is an internationally-recognized, year-long grade 9 transition and mentorship program, led by certified coordinators and trained student-leaders. The purpose of the program is twofold: to support positive transition from elementary school to secondary school with an emphasis on school engagement, and to develop leadership skills in our senior students.

Our student leadership team was carefully chosen, through an application and interview process by school administrators and Link Crew coordinators. This year, 44 grade 11 and 12 students successfully "linked" with their grade 9 teams on Orientation Day. Throughout the year, many Link Crew activities and events will be organized for grade 9 Link Crew teams.

If you have any questions about the program, please contact one of the following program coordinators:

Mrs. Miller-Yandeau (705) 945-7177 ext. 70537; Ms. Serravalle (705) 945-7177  
Mrs. Tarantini (705) 945-7177 ext. 70545
